

A Welcome Party At Deep Creek Lake

During the summer of 2001 Railey Mtn. Lake Vacations held the first Welcome Party for visitors to Deep Creek Lake, Maryland. The parties were so successful and well attended that Railey Mtn. Lake Vacations is doing them again this summer with one not so small exception. Last year the parties were closed to Railey Mtn. Lake Vacations renters only. This year they are open to all visitors to the lake.

This is a great opportunity for people who have been coming to the lake for years, as well as new visitors, to see all the activities in one location and especially to be able to talk one on one with the activity guides and vendors.

The Welcome Party offers an opportunity for vendors and guides participating in the DNR Nature Tourism Program to present an array of activities they provide. Through them you can experience the little known adventures and hidden beauty of Deep Creek Lake. Visitors can sign up at the party with the vendors for hikes, ATV tours, fly fishing, boating, whitewater adventures, photography and other day activities.

The Welcome Parties offer light refreshments and are held once a week on Mondays, beginning June 17, 2002 from 4:00 to 5:30 p.m. with the location to be announced. Win fabulous giveaways, sign up for fun activities and learn why everyone keeps coming back to Deep Creek Lake. Remember this is open to all visitors to the Lake ...see you there.

The Welcome Parties are open to all visitors to the lake. Everyone has a good time and leaves the party with a better understanding of what they can do while at the Deep Creek Lake area.
