*F*ore Sisters Golf Course & Clubhouse, a haven of rustic elegance, is nestled within 300+ acres of hardwood and evergreen forests of Western Maryland's Allegheny Mountains. Offering unparalleled vistas and exceptional hospitality, this destination course is one of Maryland's best-kept secrets!

This stunning mountainside par 71, 18-hole public golf course offers far more than most. We have a slope rating of 124 with an index of 66.8. Carved out of a heavily wooded mountainside with dramatic elevation changes, the course at Fore Sisters was built with a deep respect for environmental preservation. Large stands of native red and white oak trees flank the rolling fairways. Breathtaking ponds with colorful Koi fish, majestic fountains as well as friendly white tail deer, wild turkeys, and a variety of birds make the course their home. Whether you walk the course or use one of our new golf carts, you'll find that every hole offers a stunningly beautiful view with untouched Maryland Mountains serving as the backdrop.

In the spring of 2005, we will complete a new driving range to further enhance your golf experience.

After your game, relax in our rustic clubhouse – which has been creating quite a stir! A unique atmosphere, the clubhouse has a soaring vaulted ceiling with cedar beams, and our own friendly black bear. Enjoy the cool mountain breezes on our covered porch from your comfy rocking chair while savoring your favorite cigar. The Clubhouse is your home away from home. Relax in the oversized lounge chairs or put your feet up as you stretch out on the couch. Catch up on your favorite book, golf magazine, or a game of backgammon while Tiger Woods, Arnold Palmer or Old Tom Morris takes care of you (the waitstaff wear name tags of famous golfers)! They are known for genuine warmth, exceptional hospitality and want to make your experience as comfortable as possible.

The Fore Sisters Clubhouse restaurant is a popular destination. Chef Bonnie and Chef Gretchen and the entire kitchen staff bring creativity and passion for great tasting hearty food to your table. The food is fantastic and Fore Sisters has several signature dishes for your enjoyment: Unique Starters like our Sassy Salt & Vinegar French fries, our Gusto Garlic fries and Sweet Potato fries served with maple syrup. Don't forget homemade potato pancakes, zesty zucchini slices or amazing fried calamari!

Our pork BBQ sandwich is a tender slow roasted pork with a rich savory BBQ sauce second to none. Fore Sisters hamburgers are oversized 8 oz. Angus beef grilled to perfection. And for lighter fare there's the Fore Sisters Chicken Salad or exotic Mandarin Orange Salad. Our gourmet Carrot Cake has been called "The best cake ever!"
